AIHEC 2016-2020 Goals:

Vision for the Movement

SUSTAINING: Secure funding to equitably meet the operational needs of all TCUs.

EDUCATING: As the voice of TCUs, share the unique story of TRIBAL higher education through relevant, efficient and timely data collection, reporting, and outreach.

INNOVATING: Through innovative, collaborative and data-driven programming, strengthen Tribal communities, sustain our lands and environments, and promote resiliency among our people.

ENGAGING: Help ensure TCU student success through culturally-grounded community-based practices, cradleboard to career.

HONORING: Sustain the TCU Movement through practices that honor our past and support our future.

Top 3 TCU Priorities for 45th President & Congress:

Sustain:

- **Forward and full funding of all TCU Operating Programs**
- **Sustain HEA-TCU Title III (Part F) Mandatory Program**

Equity:

- **TCU-1994 Land-grant Program Funding**
- **E-Rate Eligibility**
- **Facilities & Construction Inclusion**

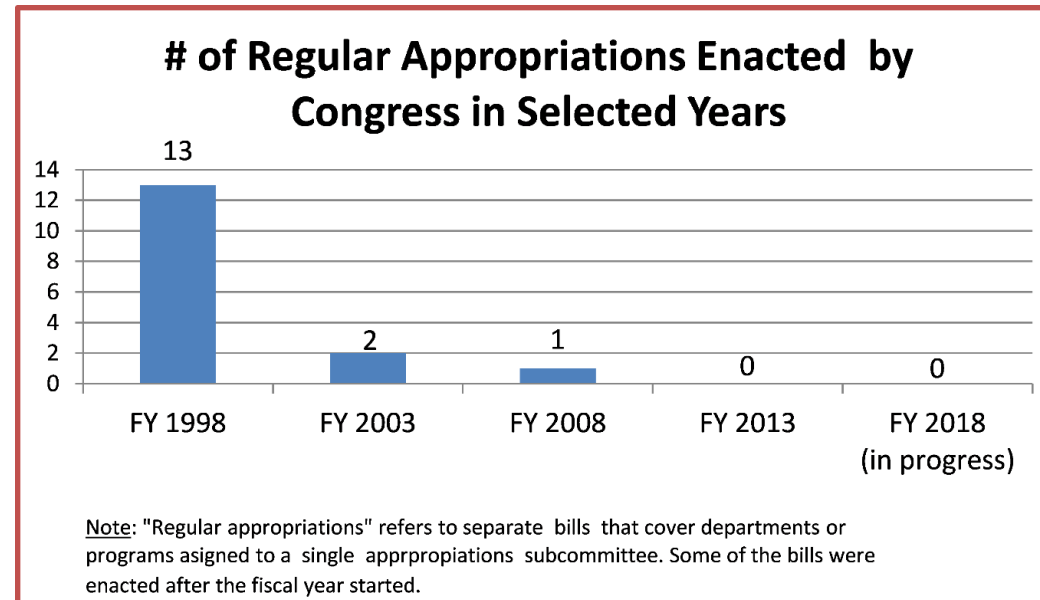

Innovate: **TCU Executive Order**

So, how are we doing?

Let me set the context...

Congress...

On the Hill, the more things change, the more they stay the same...

2014:

President Obama

3 Issues President bypassed dysfunctional Congress:

1. Immigration
2. Marijuana
3. Economic Growth

2018:

President Trump

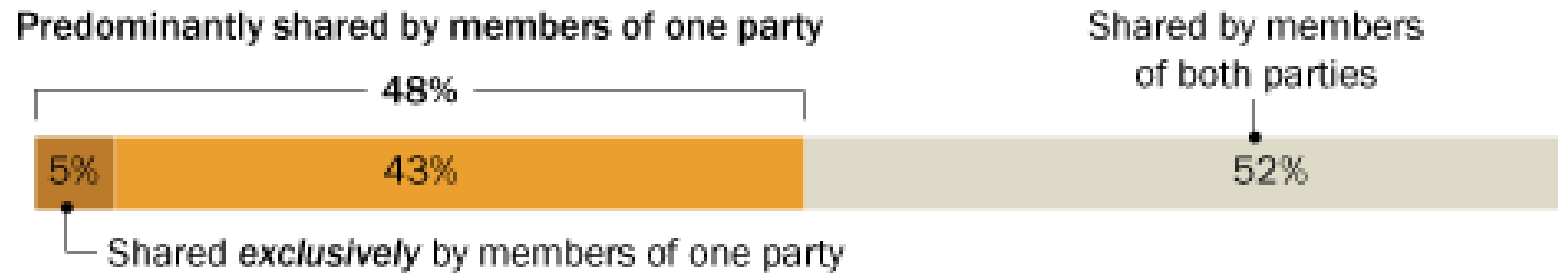

3 Issues President bypassed dysfunctional Congress:

Well, Congress helped with Marijuana... (*hemp*)

Facebook, Fake News, & (Impromptu) Press Conferences...

Nearly half of the links to national news outlets shared by lawmakers on Facebook were to outlets predominantly shared by one party

% of links to national news outlets shared by members of Congress on Facebook that were to outlets ...

Note: 'Predominantly' means more than 75% of these outlets' shares came from one party.

Source: Pew Research Center Analysis of links shared by members of Congress on Facebook between Jan. 2, 2015 and July 20, 2017.

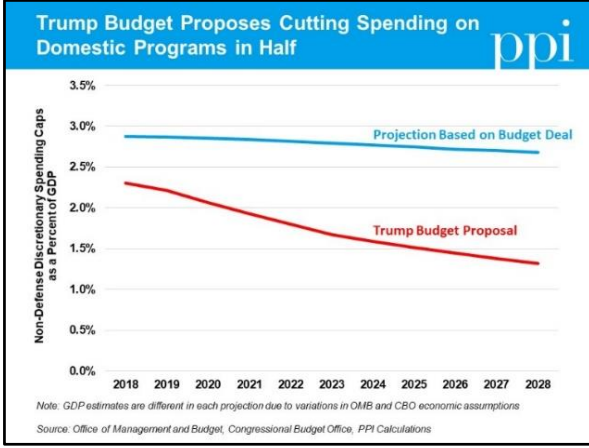

PEW RESEARCH CENTER

Since we last met...

- Trump's cabinet/"A list" **turnover** exceeds any other administration in past 100 years. So does his lack of key federal appointments.

- Trump proposed **deep cuts** to education, briefly proposed "merging" ED & Labor, and signs a **HUGE 2-year budget deal!**

- **TAX REFORM ENACTED: CORPUS = BIG WINNERS. TRADE/TARIFF WAR ENSUES.**

- Investigations & Indictments **Announced Weekly - Trials Start**

- DACA proves unfixable; meanwhile, U.S. **separates migrating families**, then loses some.

- Enemies are **friends**; friends are **enemies**

Higher Education Act Reauthorization: Postponed until the 116th Congress

Preparing for the Next Round of HEA Deliberations:

Key Issues for Senator Patty Murray (D-WA), currently Ranking Member of the Senate HELP Committee

1. Tribal College Status: Public v. Private Institutions

- Some TCUs are incorrectly designated as **private** institutions with the U.S. Department of Education. This could be problematic if the Democrats regain control of the U.S. Senate. Senator Murray's staff are inclined to impose more rigorous accountability measures on private institutions and to focus federal programs toward public institutions of higher education.
- AIHEC has discussed the process for re-designating as a public institution with the U.S. Department of Education and has a document explaining the steps.

2. Accountability Standards: Outcome measures

- Senator Murray believes in institutional accountability, particularly in the federal student loan program. Any HEA reauthorization will require student and institution accountability
- **Options for accountability/outcome measures**: earnings relative to debt, earnings: how do we factor in rural areas, public service, etc?
- Review ASPIRE Act accountability program

3. Access to Student

- In Senator Murray's view...
- How do we explain...
- What do TCUs need...

4. Title III Eligibility: Du

- Many MSIs now meet
 - TCU: 50 percent
 - Predominately
 - Hispanic: 25 percent
 - Alaska Native: 20 percent
 - Native Hawaiian: 10 percent
 - Asian/Native Pacific Islander: 10 percent
 - Non-tribal Native Serving: 10 percent

Higher Education Act Reauthorization 3.0: 116th Congress

PROSPER Act (HR 4508): Promoting Real Opportunity Through Education Reform Act

- Dec. 1, 2017 – Introduced
- Dec. 11, 2017 –
