

Diversity is our nation's greatest strength and a valued aspect of our work.

MEISPP Interns at Department of Energy (DOE) Headquarters

DIVERSITY. EDUCATION. SCIENCE.

"Together, we will foster a culture of inclusion, mutual trust and respect. This will allow all employees an equal opportunity to achieve their full potential." - Secretary of Energy, Steven Chu

The 2012 Minority Educational Institution Student Partnership Program (MEISPP) offers talented undergraduate and graduate students summer internship positions with the U.S. Department of Energy and its National Laboratories.

MEISPP seeks students pursuing degrees in a variety of academic majors, including, but not limited to:

Engineering—Biomedical, Chemical, Civil, Computer, Electrical, Environmental, Industrial, Material, Mechanical, Metallurgical, Nuclear, and Petroleum.

Sciences—Biology, Computer, Information Technology, Geology, Mathematics, Microbiology, and Physics.

Social Sciences—Economics, Organizational Psychology, Political Science, Policy, Public Administration, International Relations, National Security, and Sociology.

Business—Accounting, Finance, Management, and Business Administration.
