1. Where are you most likely to find an Institution's DAAPP?

---

- A. In the ASR.
- B. In the Catalogue
- C. In the Student Handbook
- D. In the Biennial Review Report

1. Where are you most likely to find an Institution's DAAPP?

---

- A. In the ASR.
- B. In the Catalogue
- C. In the Student Handbook
- D. In the Biennial Review Report

2. Which of the following items are likely to be found as a Violation at an Institution?

---

- A. No DAAPP
- B. No Biennial Review
- C. No written description of legal sanctions
- D. No written description of health risks.
- E. All of the above.

2. Which of the following items are likely to be found as a Violation at an Institution?

---

- A. No DAAPP
- B. No Biennial Review
- C. No written description of legal sanctions
- D. No written description of health risks.
- E. All of the above.

3. An Institution has decided that it complies with the distribution requirement by posting its DAAPP to the bulletin board in the break room.

---

- A. This is an acceptable procedure.
- B. This is not an acceptable procedure.

3. An Institution has decided that it complies with the distribution requirement by posting its DAAPP to the bulletin board in the break room.

---

A. This is an acceptable procedure.

B. This is not an acceptable procedure.

This would be considered a passive form of delivery. You need to have an active form of delivery to comply.

4. An Institution states that it complies with the distribution requirement by distributing its DAAPP by handing each student and employee a copy and it has each individual sign for it once annually.

---

- A. This is an acceptable procedure.
- B. This is not an acceptable procedure.

4. An Institution states that it complies with the distribution requirement by distributing its DAAPP by handing each student and employee a copy and it has each individual sign for it once annually.

---

A. This is an acceptable procedure.

B. This is not an acceptable procedure.

This procedure only has an annual distribution and still needs to include a procedure that provides for the initial distribution when a student enrolls or when staff members are hired.

5. An Institution states that it complies with the distribution requirements by giving each student and staff member a copy of the DAAPP at every orientation.

---

- A. This is an acceptable procedure.
- B. This is not an acceptable procedure.

5. An Institution states that it complies with the distribution requirements by giving each student and staff member a copy of the DAAPP at every orientation.

---

A. This is an acceptable procedure.

B. This is not an acceptable procedure.

This procedure only addresses initial distribution and still needs to include a procedure that provides for the annual distribution.

6. A community college distributes its catalogue, which includes the DAAPP, by mailing it via US Mail to every address in the county that its serves.

---

- A. This is an acceptable procedure.
- B. This is not an acceptable procedure.

6. A community college distributes its catalogue, which includes the DAAPP, by mailing it via US Mail to every address in the county that it serves.

---

A. This is an acceptable procedure.

B. This is not an acceptable procedure.

While this method blankets the county, you may still have new students and employees who will come to the college from outside of the county or state.

7. An Institution states that it complies with the distribution requirement by posting its DAAPP to their web page.

---

- A. This is an acceptable procedure.
- B. This is not an acceptable procedure.

7. An Institution states that it complies with the distribution requirement by posting its DAAPP to their web page.

---

A. This is an acceptable procedure.

B. This is not an acceptable procedure.

This would be considered a passive distribution. To make this an active distribution process, the institution must also send out a notification.

8. An Institution states that it complies with the distribution requirement by sending an email notification of its DAAPP and a link directly to its DAAPP to all students and employees annually and to everyone initially when they enroll or are employed at the institution.

---

- A. This is an acceptable procedure.
- B. This is not an acceptable procedure.

8. An Institution states that it complies with the distribution requirement by sending an email notification of its DAAPP and a link directly to its DAAPP to all students and employees.

---

- A. This is an acceptable procedure.
- B. This is not an acceptable procedure.

9. A technical college distributes its DAAPP at all orientations by placing the information in both the Student and Faculty Handbooks and has all sign acknowledgement receipt forms.

---

- A. This is an acceptable procedure.
- B. This is not an acceptable procedure.

9. A technical college distributes its DAAPP at all orientations by placing the information in both the Student and Faculty Handbooks and has all sign acknowledgement receipt forms.

---

A. This is an acceptable procedure.

B. This is not an acceptable procedure.

This procedure only includes the initial distribution. Institutions must also have an annual distribution procedure.

10. A proprietary school requires all students and employees to electronically acknowledge reading a consumer information page that includes the DAAPP at all orientations and at least once annually.

---

- A. This is an acceptable procedure.
- B. This is not an acceptable procedure.

10. A proprietary school requires all students and employees to electronically acknowledge reading a consumer information page that includes the DAAPP at all orientations and at least once annually.

---

A. This is an acceptable procedure.

B. This is not an acceptable procedure.
