- From 2 year curriculum to 4 year curriculum
- Traditional Ecological Knowledge with Western Scientific Methods
- Adding Climate Change Curriculum
- Supporting Student Clubs
- Sabbaticals at Tribal Colleges
- Bridging Programs
Tribal Sovereignty

- If you were gone would your program continue?
- Can one or more of your staff do everything you do?
- Are you seriously developing your staff?
- How are you growing your own faculty?
- Do you have jobs ready for your students when they come back?
- Do you really need to travel or could someone else go instead?
- What is true leadership?
